

Happy April & May!

Spring is finally here, and we love seeing your kids growing and learning! During April and May, the children may learn about flowers, nature, birds, rain, Earth Day, pond life and Mother's Day. Our shape of the month is an octagon, and our color is purple. We will have a Spring Festival and art show soon, celebrate our teachers during April, and celebrate our 4k graduates in May!

Teacher Appreciation Week

Our staff is great! They all teach and love your children like their own. Please help us show love to our teachers April 27-May 1.

Graduation

Our K4 graduation is Tuesday, May 19. We are starting to work on our program and looking forward to sharing this milestone with your children!

End of Year Celebration

Our third Annual End of Year Celebration is quickly approaching! We will have one big party for all students and their families on Friday, May 15, 10am-Noon. There will be lots of fun with inflatables, yard games, and more! We will provide food for all of the kids, and tickets will be available for family members to purchase pizza the week before, or you may bring a picnic lunch. We hope everyone can join us!

Parent/Teacher Conferences

K4 and K3 teachers will continue to offer Parent-Teacher conferences in April. Please watch for information from your teacher about sign-ups for conference slots.
