

Family Talk–Children of Promise

READ TOGETHER

Galatians 4:21-31

1. What from this passage stands out to you and your family?
2. What does children of the promise (v. 28) mean to you?

LIVE IT

People are saved because of their faith in Christ, not because of what they do. Paul was telling people that they need to love God more than the law. Fast forward to today and that would look like people loving the Bible more than God. How crazy is that? We should follow the Bible, but not worship it. Our worship goes to the One and only God. Do you feel like you sometimes put little things higher on your list than big things?

If you believe in God, then you have faith in God. That faith will move you in different directions. What do you feel like God is telling you to do?

LEAN ON GOD

Dear God,

Thank You so much for this day. Thank You for sending Your Son to die on a cross for us. I pray that we are moving Your kingdom every day. God, You are amazing. Thank You so much for Your love.

Amen.
