LIVE IT

Joseph sat in jail for two years before he had an opportunity to be free. Can you imagine being forgotten for two years? It's easy to understand how someone could feel overlooked and unimportant after that amount of time. We all have moments where we feel forgotten, maybe by a friend, a family member, or even God. If that's happened to you, share how you handled your feelings. What helped you through that time?

Joseph taught us something with his life, and it's that we can trust God no matter what.

LEAN ON GOD

Dear God,

Thank You for loving us so much. Even when we think or feel like we're alone, remind us that You're always with us. We're never forgotten or overlooked by You. Thank You for everything You've done for us and everything You'll continue to do. Help us trust You more each day.

Amen
