**Isaiah 9:6, Micah 5:5, Luke 2:13–14**

1. What in your life brings you peace?
2. Do people see peace in you?

A true story:

While visiting the country of Jordan, I witnessed a mother take her daughter home to die based on doctors' advice. She prayed to our God (not her god) to show her what to do. She dreamed Jesus (*Isa* in her language) told her to call the church and that He was preparing a way for the church to help save her daughter. She trusted Jesus instead of listening to what her culture taught. Jesus put in motion a man who would pay for the surgery, a government that would give her family permission to leave Jordan and travel to Israel for a life-changing surgery, and doctors who would perform surgery with technology unavailable in Jordan.

The mother had an exceptional radiant glow when she talked about her encounter with the Prince of Peace. This Christmas season, will you pursue peace? If He comes to you, will you do what He says?

### LEAN ON GOD

Father in Heaven,

Thank You for Your Son, the Prince of Peace. Let us see Him differently this year. Bring peace to our families.

In Jesus name,

Amen
