

Family Talk – God's Letter to the Waning

READ TOGETHER

Revelation 2:1–7

LIVE IT

As Christians, we try to live a life through God and do His will. However, sometimes we fall off His path for us. It happens gradually: we might stop reading our Bible or paying attention at church. We stray away from God, which leads us to sin. We might do something else that seems important at the moment rather than read our Bible or go to church.

God will always let us come back to Him. He welcomes us with open arms. The New Year is a perfect time to check our priorities. Are you living the life God wants you to live? Are you setting aside time for Him and building your relationship?

What's one thing you can practice as a family to stay in touch with God?

LEAN ON GOD

Dear God,

I pray that I'm living the life You want me to live. If I'm not, please do what it takes to help me do Your will. We love You and thank You for being a gentle, loving and forgiving God.

Amen
