

## Family Talk – The Life of Jesus

### READ TOGETHER

---

[Mark 4:35-41](#)

1. Compare the attitude of Jesus during the storm and the attitude of the disciples. What stands out to you?
2. How did Jesus respond to the disciples cry for help? What does this say about Jesus?

### LIVE IT

---

Jesus was sleeping in the middle of a storm that scared experienced fishermen. His words calmed the angry sea.

Jesus' power to not only stop the storm, but also the waves is miraculous. It would normally take a long time for waves to calm after the wind stopped.

What are some situations you're facing that seem overwhelming to you? What's your attitude towards them? Have you reached out to Jesus for help?
