

Family Talk – Kindness

READ TOGETHER

Galatians 5:22-23

1. According to Titus 3:4-5, it's because of God's kindness that we are saved. He showed mercy, and He saved us. It's not because of anything good we did. How does Jesus' sacrifice, help you know God's kindness?
2. The character trait of kindness guides us to care for those we love and also our enemies. Who do you need to show kindness to in your life?

LIVE IT

God's kindness is evident everywhere. The fact that we can pray, read His Word, and know Him are results of His kindness toward us. When we understand how different we are from God, we begin to understand the depths of His kindness.

Showing kindness to others is a primary way of pointing them to Christ. This week make an effort to be more intentional with your words and actions towards others.

LEAN ON GOD

Dear God,

Thank You for Your kindness. We love You and are so thankful for how You love us. Help us show kindness to everyone, so they can see a little bit of You.

We love You.

Amen.
